All the world just stopped now  
So you say you don't wanna stay together anymore  
Let me take a deep breath, babe  
If you need me, me and Neil'll be hangin' out with the  
dream king  
Neil said hi by the way  
I don't believe you're leaving 'cause me and Charles  
Manson  
Like the same ice cream  
I think it's that girl  
And I think there're pieces of me you've never seen  
Maybe she's just pieces of me you've never seen

Well all the world is  
All I am  
The black of the blackest ocean  
And that tear in your hand  
All the world is  
Danglin'... danglin'... danglin' for me  
Darling, you don't know the power that you have  
With that tear in your hand  
Tear in your hand

Maybe I ain't used to  
Maybe smashing in a cold room  
Cutting my hands up  
Everytime I touch you  
Maybe  
Maybe it's time to wave goodbye now

Time to wave goodbye now

Caught a ride with the moon  
I know I know you well  
Well better than I used to  
Haze all clouded up my mind in the daze  
Of the why it could've never been  
So you say and I say  
You know you're full of wish  
And your 'baby baby baby babies'  
I tell you there're pieces of me you've never seen  
Maybe she's just pieces of me you've never seen

Well all the world is  
All I am  
The black of the blackest ocean  
And that tear in your hand  
All the world is  
Danglin'... danglin'... danglin' for me  
Darling, you don't know the power that you have  
With that tear in your hand  
Tear in your hand  
With that tear in your hand
