"Teenage Hustling"

Visit "[Teenage Hustling](#)" on MotoLyrics.com

You think you can come around here
All up in his face
All up in my world

You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm at your door oh-oh

You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm a joke
You gotta right
You gotta right
To know
You gotta right
You gotta right
To know

Me and my teenage hustling
I've been working it since I was 14
Me and my teenage hustling
I've been working it since I was 14
Me and my teenage hustling
It's gonna save me
Save me
Save me
Save me
Save me
Save me
Save me
Save me
From your dirty dealings

You're a dirty girl
You're such a dirty girl
You better know

You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm at your door oh-oh
You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm a joke

Maybe the weight of this accident
Comes back to your gossip
With a ferocious strategy

You play wounded in his cockpit
But I think that you forgot
My days of teenage hustling

You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm at your door oh-oh
You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm a joke
You gotta right
You gotta right to know
You gotta right
You gotta right to know
You gotta right
You gotta right to know

Me and my teenage hustling
I've been working it since I was 14
Me and my teenage hustling
I've been working it since I was 14
But you've been skanking around/
With your talentless trash
You only shoot blanks
At your cock-sure best
Me and my teenage hustling
Me and my teenage hustling
It's gonna save me
Save me

Save me
Save me
From your dirty dealings

Now I don't mind a dirty girl
Said I don't mind
A dirty girl
You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door
I'm at your door oh-oh
You better know
You better know
You better know-oh-oh
I'm at your door
I'm at your door.
