I think it's perfectly clear
We're in the wrong band, oh, oh
Ginger is always sincere
Just not to one man, oh, oh

She called me up and she said
"You know that I'm drowning
It's the dog trainer again
He says that he thinks
That she needs more hands"

I think it's perfectly clear
We're in the wrong band, oh, oh
Senator, let's be sincere
As much as you can, oh, oh

He called her up and he said
"The new prosecutor
Soon will be wanting a word "
So, she's got a soft spot
For heels and spurs and

There's somethin' believin'
In her voice again, said
"There's somethin' believin'
Instead of just leavin'
'Stead of just leavin'
Instead of just leavin' "
And she gets her cigars
From a sweet fat man

I think it's perfectly clear
We're in the wrong band, oh, oh
Heidi says she'll be sincere
As much as she can, oh, oh

I called her up and I said
"You know that I'm drowning
Put on your raincoat again
'Cause even the sun's got a price on it"

And there's somethin' believin'

In her voice again, said
There's somethin' believin'
Instead of just leavin'
'Stead of just leavin'
Instead of just leavin'

She said it's time I open my eyes
"Don't be afraid to open your eyes"
Maybe, she's right, maybe, she's right
Maybe, she's right, maybe, she's right
