Let's go

I am not your senorita  
I am not from your tribe  
In the garden I did no crime

I am not your senorita  
I am not from your tribe  
If you want inside her, well  
Boy you better make her a raspberry swirl

Things are getting desperate  
When all the boys can't be men  
Everybody knows I'm her friend  
Everybody knows I'm her man

Things are getting desperate  
When all the boys can't be men  
Everybody knows I'm her friend  
Everybody knows I'm her man

Let's go

I am not your senorita, I don't aim so high  
In my heart I did no crime  
If you want inside her, well  
Boy you better make her a raspberry swirl  
Raspberry swirl, let's get a raspberry swirl

Things are getting desperate  
When all the boys can't be men  
Everybody knows I'm her friend  
Everybody knows I'm her man

Things are getting desperate  
When all the boys can't be men  
Everybody knows I'm her friend  
Everybody knows I'm her man

Raspberry swirl, raspberry swirl  
You want inside her, well  
Let's, let's get a raspberry swirl  
Let's go, a raspberry swirl

She swirls and she swirls
