I know what you want  
The magpies have come  
If you know me so well then  
Tell me which hand I use?

Make them go  
Make it go

Saw her there in the restaurant  
Poppy don't go  
I know your mother is a good one  
But Poppy don't go  
I'll take you home

Show me the things I've been missin'  
Show me the ways I forgot to be speaking  
Show me the ways to get back to the garden

Show me the ways to get around, get around  
Show me the ways to button up  
Buttons that have forgotten they're buttons  
Well, we can't have that forgetting that

Girls, girls  
What have we done?  
What have we done to ourselves? Yes

Driving on the vine  
Over closed lines  
But officer I saw the sign

Thought I'd been through this in 1919  
Counting the tears of ten thousand men  
And gathered them all but my feet are slipping

There's something we left  
On the windowsill  
There's something we left, yes

We'll see how brave you are  
We'll see how fast you'll be running  
We'll see how brave you are

Yes, Anastasia  
And all your dollies have friends

Thought she deserved no less than she'd give  
Well, 'Happy Birthday', her blood's on my hands  
It's kind of a shame 'cause I did like that dress

It's funny, the things  
That you find in the rain  
The things that you find, yeah

In the mall and in the date mines  
In the knots still in her hair  
On the bus I'm on the way down  
On the way down all the girls seem to be there

We'll see how brave you are, oh yes  
We'll see how fast you'll be running  
We'll see how brave you are  
We'll see

We'll see how brave you are, oh yes  
We'll see how fast you'll be running  
We'll see how brave you are  
Yes, Anastasia

Come along now little darlin'  
Come along now with me  
Come along now little darlin'  
We'll see how brave you are
