My love,
I'll never find the words my love, to tell you how I feel
my love.
Mere words could not explain...

Precious love, you (held my life within your hands,
created everything I am)
Taught me how to live again, believed in everything I
am.
Only you,
Came when I needed a friend, believed in me through
thick and thin,
How can I thank you for having faith in me...
God bless you, yes, you make me feel brand new,
For God bless me with you, you make me feel brand
new,
For God bless me with you, make me feel brand new.
Whenever- where ever you are, without you, sweet boy,
Life has no meaning or rhyme, like notes to a song out
of time.
This song is for you, filled with gratitude, and love...
God bless you, you make me feel brand new,
For God bless me with you... yes, you make me feel
brand new,
I sing this song for you, make me feel brand new,
mmm...
