I can tell,  
There's something you don't wanna tell me.  
It's killing you,  
Cuz the words are hard to find.  
And I know,  
You wanna break it to me gently.  
Well, Sweet baby, say  
Whats on your mind....

1,2,3,!

(Chorus)  
Let Er Rip,  
Let it fly.  
Come on baby,  
Say It,  
Do ya think I'm gonna cry?  
Ain't about to bawl,  
And i ain't gonna lie.  
So if ya gonna say good bye,  
Don't take all day and night.  
Let Er Rip,  
Let it fly.

Why the drama?  
we don't have to drag out the situation.  
It wasn't you,  
Wasn't me,  
Sometimes the chemistry don't ignite.  
The ain't no rings,  
No morgage,  
There ain't any complications.  
Just a hyphenated word,  
Get it out,  
I'm sure I'll be alright.

(Chorus)

It ain't no big deal,  
Ain't no great loss.  
You and I are on the same train of thought.  
So you don't have to tell me where to get off.

Baby,  
I miss-understood ya,  
If you're leavin',  
Baby,  
Would ya?

(Chorus)  
Let'er rip  
Let it fly  
Come on baby say it  
Do ya think I'm gonna die  
I ain't about to bawl  
and I ain't gonna lie  
So if your gonna say good bye  
Dont take all day and night  
Let'er rip  
Let it fly!!!!!!!!!!!!!!!
