If your down and confused
And you don't remember who your talking to
Concentration, slips away
'Cause your baby is so far away

And there's a rose and in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one your with
Love the one your with

Don't be angry
Don't be sad
Don't stay crying
Of good times had
There's a boy right next to you
And he's waiting for something to do

And there's a rose and it fits me close
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one your with
Love the one your with

Do do do do do do dodo
Do do do do do do dodo
Do do do do do do dodo

Do do do do do do
