"Sundown"

by The American Juniors

The city's in a heatwave,  
Your'e hopin' for the sun's shade.  
Prayin' that the evening will chill down the streets....

Tonight I'm gonna find you, (find you)  
Flyin' on a breeze and blind you, (blind you)  
Take us from club land,  
And send us to the stars....

Sundown,  
Friday twilight in the big town.  
Party people gettin' ready now.  
Somewhere, baby.  
I know your'e waitin',  
City's vibratin',  
Sundown.

Don't know if you see me,  
Don't know if your'e dreaming,  
Your'e hopin' for someone who can show you who you  
are....

Tonight I'm gonna find you, (find you)  
Flyin' on a breeze and blind you, (blind you)  
Take us from this club land,  
And send us to the stars....

Sundown,  
Friday twilight in the big town.  
Party people gettin' ready now.  
Somewhere, baby.  
I know your'e waitin',  
City's vibratin',  
Sundown,  
(Sundown)  
Air gets cooler,  
But my heart pounds,  
(heart pounds)  
Loud and fast I'm gettin' ready now,

(I'm gettin' ready now)  
Somewhere, baby.  
I know your'e waitin',  
City's vibratin',  
I know your'e waitin',  
City's vibratin',  
I know your'e waitin',  
City's vibratin',  
Sundown!
