Watching a horror movie
Makes me feel groovy
But that's not enough
I need the real stuff
The secret I hide
Deep deep inside
Drives me insane
I need real pain
Chainsaw massacre
Chainsaw massacre
Passing through the door
Searching for my saw
With this lovely tool
In my hand I'll rule
Now I'll be your doom
Creeping through your room
Sawing off your head
While you lie in bed
Chainsaw massacre
Now my work is done
And I've had my fun
Back at my flat
I feel so sad
Another video
My lust starts to grow
How the rest would go
I think you know
Chainsaw massacre
