Mister fat bastard businessman
With his artificial tan
A career has top priority
In today's society
The time has come to set it free
The anger that burns deep inside of me
Like an animal captured in a cage
Driven by a tremendous rage
Hear my cry
My cry for justice
It's a call
A call for equality
Hear my cry
My cry for justice
Equal rights for you and me
Hear my cry
My cry for justice
It's a call
A call for equality
Hear my cry
My cry for justice
Equal rights for you and me
The one with the money has the might
And with this might he grabs the right
We spit on this society
With it's modern slavery
Hear my cry
My cry for justice
It's a call
A call for equality
Hear my cry
My cry for justice
Equal rights for you and me
Hear my cry
My cry for justice
It's a call
A call for equality
Hear my cry
My cry for justice
Equal rights for you and me
Money is the ultimate temptation
While millions are dying of starvation

Corruption and greed are signs of our time
Humanity is on a fast decline
