"Religious Insanity"

Religious cruelty leaves it's bloody trace
Throughout the history of the human race
In the name of god we get so much misery
What kind of a saint could this god be
Collecting money for a senile pope
Corruption hidden under a holy rope
Face the religious insanity
Hypocritical humanity
Fight the religious insanity
Infatuated believers
Trying to deceive us
Infatuated believers
Trying to deceive us
Thousands of years full of mislead truth and
Delusion
Wiping out whole races for their big illusion
For dubious reasons men were burnt to death
All these crimes church would never confess
The nepotism of church and state
Always decided mankind's fate
Eternal peace is what they proclaim
Money and might is their only aim
While they're talking about salvation
The third world's dying of starvation
Face the religious insanity
Hypocritical humanity
Fight the religious insanity
Infatuated believers
Trying to deceive us
Infatuated believers
Trying to deceive us
Face the religious insanity
Hypocritical humanity
Fight the religious insanity
Infatuated believers
Trying to deceive us
Infatuated believers
Trying to deceive us
