Can't fight the feeling  
Can't stand the lust  
You just gotta shop 'til ya drop  
The thirtieth is today  
When to the bank to get your pay  
As the money in your hand  
A strange feeling takes command  
You don't know what's going on  
The urge grows so strong  
Like a corpse without a soul  
Your animal instinct takes control

Can't fight the feeling  
Can't stand the lust  
You just gotta shop 'til ya drop  
Something pulls you to a store  
Don't know what you're looking for  
You buy things you'll never need  
Just to satisfy your greed  
Can't fight the feeling  
Can't stand the lust  
You just gotta shop 'til ya drop  
Now all your money's spent  
Don't know where it all went  
You just got piles of shit  
You're gonna end up in the pit  
Can't fight the feeling  
Can't stand the lust  
You just gotta shop 'til ya drop  
You're broke
