Spread the sin stink
At damnation
Sinner souls are
Suffering on the crosses
Mangle worms are
Tearing them bowels
The grown the names
Of gods of Evil

They curse the god
Adore Satan
Learn the Lore
Of the Satan 666
This is the omen of the beast
The wife of Satan
The sadist queen
She visits the bad souls
Every morning
She making to the
Evil souls
Total Tormentor

They curse the god
Adore Satan
Learn the Lore
Of the Satan 666
This is the omen of the beast
