"Coming Of The King"

Visit "[Coming Of The King](#)" on MotoLyrics.com

[Vokal: Ljubo Marjanovic]

Like Miltiades on Field of Marathon
Against the mighty Persian beast
One Man in sunlight comes
From Church of Salvation
To be Defender of my dreams

Coming of the King
Judgement Day is here
All we are ready for fight
AVE Holy King !!!
You will never die !!!

You walk in war like Man and Warrior...

Just walk and see brutal crimes of enemies...
- Now, they are drinking the Sea of our Blood...
Our Holy Father King is Messenger from God:
- Fight for your life, fight to be free !!!
