Guardian of my sight,
Blessed by the Living Cross
Son of Holy Man,
Thread of Mighty Warriors
Anywhere I am -
I believe in you
Every word you said -
Yes, I know it's True

Look and feel this time -
New Arise of Serbia
Battlefield and knights,
Anthem for the valiants
Shining dawn of steel -
I believe in you,
Father King is here -
Yes, I know it's True!

Triumph of The King
Triumph and the Glory
Our Land is free, and
All We are United!!!

Victory of God
Ring the bells of joy
Justice for a Common Man
God bless The King!!!
In Metal We believe!!!
