(Verse 1)

(Joe Flizzow)

I'm always tellin' my moms and pops not to worry to
much
They always tellin' me to slow down and not to party too
much
Sometimes I'd be like hey, now why ya'll folks buggin'?
I'm making a decent livin' I ain't slangin' or thuggin'

At first I didn't undertand though I was man enough
Frontin' like I'm to tough to be sharing love
Used to take 'em for granted, including my two little
brothers
Treat my home like hotel and ignoring my mother

But now I realised that I can't live without 'em
Take away my money, honeys aiyo even the stardom
But can't never take away my love for my blood (whut)

My big brother Farez doin' sit ups to loose his gut
Iman wanna emcee and spin record at the same time
While Ash wanna be a rockstar, you doin' fine
Keep ya head up all the time know I'm feelin' for you
And always keep it real whatever ya'll do... one love

(chorus)

You are my shunsine, you're my rainbow
After the rain has gone
You are my shunsine, you're my rainbow
After the rain has gone

(Verse 2)

(Malique)

I spread love to all my peeps that help me make it
happen
Ain't talkin' 'bout the foots I knew after started rappin'
I'm talkin' 'bout the folks from back then when I was
whack
Friends and fan that kept me steady laugh when I was
steady slackin'
Y'all us'ta call me a different name, and yo it's still the

same

Ain't nothing changed, y'all never took advantage of
my fame
I got y'all free tickets to shows, y'all never asked for it
Mom and dad y'all still cuttin' those paper interviews
Don't see you daily but trust me daily I think of you

I know I promised you to be a lawyer in a court suin'
I'm sorry now but thanks for bein' proud of what I'm
doin'
It's impossible to spit love in 16 bars
So imma cut this short just to let you know who you are

Mom and dad, bro, sis and Tim, just know I love you
Wish y'all were here so I could just breakdown while I
hug you, one
