Been waiting so long, you still haven't phoned
So many sleepless nights spent here all alone
I've had it to here, I'm gonna get my way
Don't try to pass it off, I mean what I say

Went out of your way making sure you had won
Took my love and went, looks like you had your fun
Didn't beat around, stood me up and left town
Took my lifeline away and you still can't be found

Enough is enough I just can't take it no more
Don't take no time to explain, I heard it all before
Enough is enough, I'm sick of being polite
Don't need a promise of love over the telephone
Enough is enough

A phone call will do if you can spare the dime
Don't call collect agai, I'll diconnect the line
Our party of two just got reduced in size
Time for me to go, don't appologize

Enough is enough I just can't take it no more
Don't take no time to explain, I've heard it all before
Enough is enough, I'm sick of being polite
Don't need a promise of love over the telephone
Ohhhhhhhhhhhhhhhhhhhhh!

Been waiting so long, you still haven't phoned
So many sleepless nights spent here all alone
I've had it to here, I'm gonna get my way
Don't try to pass it off, I mean what I say

Enough is enough I just can't take it no more
Don't take no time to explain, I've heard it all before
Enough is enough, I'm sick of being polite
Don't need a promise of love over the telephone

Enough is enough, ohhhhh, ohhhhhhhh, yeah
Enough is enough, Ooooooh, ooooooooh, well
Enough is enough
Enough is enough
Enough is enough
