

Torquemada "Figure It Out"

Visit "[Figure It Out](#)" on MotoLyrics.com

I'm afraid 'cause you are still the same
'cause you are sad and vain
I'm a train but I will not go away
you want me to show your blameÂ...

Â...you'll figure it out!!
Figure it out!!!

I denied that you could be my room
you're just a part of you
You replied "I never need your fame!"
But you pretend my wayÂ...

Â...you'll figure it out!!
Figure it out!!!

Something seems okÂ...
Â...but something's getting wrong
Someone could be boldÂ...
Â...please forget my nameÂ...
oh man!!
Come onÂ...come onÂ...come onÂ...
Please rest on my bonesÂ...!
