And I swear stupid inquisitions hidden in my ass!!
'Cause you push me trough your special fingers,
This is what I guess!

And you're fineÂ...
yes I'm floating upÂ...
And you're fineÂ...
I Tried to take you apart because you're downÂ...

Â...You're sexy grooveÂ...
sexy cage!!!
You spit on me!!

Ah ah ah!!

Anyway, I just think this rock
everyday I'm a sexy whore
'Cause you smack me telling a smelling truth,
this is what I got!

And you're fineÂ...
yes I'm floating upÂ...
And you're fineÂ...
I try to take you apart because you're downÂ...

Â...Your lemon headÂ...
don't waste me down!!! It's going dead!!
