

Torquemada "Who?"

Visit "[Who?](#)" on MotoLyrics.com

Who couldn't say?
"I'm afraid of your mind!"?
Who never gave me affection?
Who wages a war of the patrol and oil
Â...who is in me, who is in me!

Aahh ah!!!! Eehh!!

I got to flow
through what I need on my own
but I feel I'm still bored
Maniacs are running
& killing my soul
Â...who could I be, who should I be!?

Â...aahh ah!! Eehh!

She was standing along the river
and now I think she was insane
Not about someone else,
they talked about you, her madness
realizing she was right!
