### Verse 1

I lost my way turned from you  
Throughout my life I lost sight of the truth  
With a broken heart here I stand  
Returning home and wondering if you can

### Chorus

Bring me back to the place  
Where I'll see your face  
Where love and abundance flow  
Bring me into your arms  
Where I'm safe from harm  
And where no pain can go  
Draw me in to you  
Lord all I want to do  
Is come back to you  
So bring me back, to you

### Verse 2

I've fallen down a thousand times  
No one was there to heal these wounds of mine  
Slowly standing but stumbling still  
When I'm on my feet I hope that you will

### Chorus

### Hook

I never thought I would need you so  
Somehow I knew that this day would come  
I'm on my knees searching for the truth  
With all that I have inside

### Bridge

I run to you  
With all I am  
With all my heart, my soul, and strength  
I run to you  
With all I have  
With all my heart, my soul, and strength

### Chorus (till end)
