Verse 1

I found a love that chases fear away
I found a light that breaks the darkened day
I found a hope that's centered in the truth
When I found You

Repeat verse 1

Chorus

When I found You my life was changed
Now I have You nothing's the same
What could I do but cry Your name
Now I sing of the day when my heart saw the truth
It was when I found You

Verse 2

I found a joy that overwhelms my soul
I found a life that never will grow old
I found a grace that makes my heart brand new
When I found You

Chorus

Bridge

That day you washed my sin away
You made my life brand new
I sing of love so unfailing
On the day when I found You

Chorus
