I'll slash Your face in seconds  
I cut and lacerate  
With thousand stabs I strike You  
I hack and mutilate  
To every drop She's bleeding  
I laugh and masturbate  
Your torture is my pleasure  
I kill and violate!

Reeking pus is dripping from her cunt  
I keep fucking it until I cum  
Perverse lust for brutalized flesh  
Dead for years (couldn't care less)  
Broken bodies I fornicate  
Shredded cunts I will penetrate  
Perverse lust for brutalized flesh  
And a will to kill and lacerate!

Killing innocent victims  
I am an animal  
Violating dying victims  
I am an animal

I'll rape Your corpse in extacy  
I fuck and penetrate  
A morbid lust for dead skin  
I love the rotten taste  
To every drop She's bleeding  
I laugh and masturbate  
Your torture is my pleasure  
I kill and violate!
