As we eye the blue Horizon's bend
Earth and sky appear to meet and end
But it's merely an illusion
Like your heart and mine there's no sweet conclusion
I can see, no matter how near you'll be
You'll never belong to me,
But I can dream can't I
Can't I pretend that I'm locked in the bend of your
embrace
For dreams are just like wine, and I'm drunk with mine
I'm aware my heart is a sad affair
There's much disillusionment there
But I can dream, can't I?
Can't I adore you, although we are oceans apart
I can't make you open your heart
But I can dream, can't I?
In that small cafe, the park across the way
The children's carousel, the chestnut trees, the wishing
well
I'll be seeing you, in every lovely summer's day
In everything that's light and gay
I'll always think of you that way
I'll find you in the morning sun, and when the night is
new
I'll be looking at the moon, but I'll be seeing you
I'm aware my heart is a sad affair
There's much disillusionment there, but I can dream, can't I?
I'll find you in the morning sun, and when the night is
new
I'll be looking at the moon, but I'll be seeing you
