Come with me and you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination

We'll begin with a spin
Trav'ling in the world of my creation
What we'll see will defy
Explanation

If you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world, there's nothing to it

There is no life I know
To compare with pure imagination
Living there, you'll be free
If you truly wish to be

You will find in your mind
There's a world of endless fascination
No more fun place to be
Than in your imagination

You can dream, any dream
You can savor every situation
Life in there's a sensational
Sensation

If you want to see magic lands
Close your eyes and you will see one
Wanna be dreamer be one
Anytime you please and please save me one

The is no place to go
To compare with your imagination
So go there to be free
If you truly wish to be.
