Invisible power of manipulation
Controlling the masses with fake information
IN fact... alienation
Vipers in black with evil intentions
Bullshit's all that you hear
Leaving you living in fear
Clear up your mind
And the truth you'll find
Opinions from the mentally blind
No critical sense inside their minds
Do you know why?
They're ruling a suffering mankind
Tendentious words they tell
Illusion's as well
Hell... in your brain.
Their precious domain

Manipulators
Souls in disguise
Give me a reason
To be afraid of this chaos

Under the sign of evil's dominion
Ignorance is this kind of opinion
Duality and treason

Hidden target on this secret communion
Disorder unleashing now
Towers are falling down
Groundless declarations
A silent invasion
Dreadful news are driving you crazy
Your home became a terrible cage
Terror everywhere
Fear in the air
Death... pulling out the mask
And you may be the next

Manipulatos
Souls in disguise
Give me a reason
To be afraid...

Chaos, chaos, chaos corporation

Total chaos!
