People confuse you
Saying: "The Messiah is coming!"
Making your mind to believe
The church is only salvation

You take to a great doubt
Thrown an infinity abyss
Searching for a true answer
Hidden between questions

They're saying to worship a god
Telling dreadful lies
Promising to save your soul
Selling dreadful lies

People confuse you with
Insane words
Stupid carrying the holy book and saying
Dreadful lies

People confuse you
Saying: "The Messiah is coming!"
Making your mind to believe
The church is only salvation

You take to a great doubt
Thrown an infinity abyss
Searching for a true answer
Hidden between questions
