I sleep all night
Right by your side
I love to hear your breathin', breathin'
The morning light,
Opens my eyes
It's nearly time for leavin', leavin'

I know that it seems
Like it's easy for me
O I wish you could feel
What's going on inside

It's the hardest thing I ever have to do,
To walk away from you
When I wanna hold you,

It's the hardest thing
In every single day
To have to turn away,
I want you to know that,
This is the hardest thing.

Another day is years away,
I close my eyes
To see your face,
The more I wait,
The longer it takes,
It feels like time
Is standing still.

Where ever you go,
Whatever you do
I want you to know that you're on my mind

It's the hardest thing I ever have to do,
To walk away from you
When I wanna hold you,

It's the hardest thing
In every single day
To have to turn away,

I want you to know that,
This is the hardest thing.

Just let go of your hand
It's the hardest thing
To make you understand that
To love you, feel you
Till the time I'll see you again
It's the hardest thing

Ouuuuuu
It's the hardest thing I ever have to do,
To walk away from you
When I wanna hold you,

It's the hardest thing
In every single day
To have to turn away,
I want you to know that,
This is the hardest thing.

I sleep all night
Right by your side
I love to hear your breathing, breathing...
