

Total Devastation "Full Circle"

Visit "[Full Circle](#)" on MotoLyrics.com

All of our precious secret lives
Loss of essence, loss of difference
Round and round the circle we go
Trapped inside the loop

Life, Innocence, Love, Hate
Money, Consume, Sex, Kill
Breed, Forget, Lie, Disease
Breakdown, Suffer, Pain and Death

Faster and faster
Loop of life
On a new score
Genocide
Random action
Loop of life
Over and over again

Life, Womb, Birth, Grow
Learn, Thrive, Wither, Vanish
Without thinking in a rat race mankind
At a loose end in the terms of Death

Faster and faster
Loop of life
On a new score
Genocide
Random action
Loop of life
Over and over again

Full circle

There's nobody home in this body of man
In mankind not so kind

Run across yesterday day after next
Best bib and tucker in a corner too close
Caring about everything as much as none
Seems that the whole thing is nothing but a beaten
track

Full circle
