There must be lights burning brighter somewhere
Got to be birds flying higher in a sky more blue
If I can dream of a better land
Where all my brothers walk hand in hand

Tell me why, oh why? Oh why?
Can't my dream come true? Oh why

There must be peace and understanding sometime
Strong winds of promise that will blow away the doubt
and fear
If I can dream of a warmer sun
Where hope keeps shining on everyone

Tell me why, oh why? Oh why?
Won't that sun appear?

We're lost in a cloud with too much rain
We're trapped in a world that's troubled with pain
But as long as a man has the strength to dream
He can redeem his soul and fly

Deep in my heart there's a tremblin' question
Still I am sure that the answer
Answer's gonna come somehow
Out there in the dark there's a beckoning candle

And while I can think, while I can talk, while I can stand
While I can walk, while I can dream
Oh please let my dream come true right now
Let it come true right now
