Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies

And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart strings that play soft and low

And all the night's magic
Seems to whisper and hush
And all the soft moonlight
Seems to shine in your blush

Can I just have a one more moondance
With you, my love?
Can I just make some more romance
With you, my love?

Well, I wanna make love to you tonight
I can't wait 'til the mornin' has come
And I now know that time is just right
And straight into my arms you will run

And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true, dear
There and then I will make you my own

And every time I touch you
You just tremble inside
And I know how much you
Want me that you can't hide

Can I just have one more moondance
With you, my love?
Can I just make some more romance
With you, my love?

And all the night's magic
Seems to whisper and hush

And all the soft moonlight
Seems to shine in your blush

Can I just have one more moondance
With you, my love?
Can I just make some more romance
With you, my love?

One more moondance with you
In the moonlight on a magic night, la, la, la, la
In the moonlight on a magic night

Why can I just have one more dance
With you, my love?
