I should feel all so flurried but I don't
I should be getting worried but I won't
I guess you know what's happened to me

I've told it once or twice
It started when I happened to see
Somebody, oh, somebody so, somebody, oh, so nice

Somebody stole my heart away
Somebody stole my heart away

Still I'll do no weeping
It's in safe keeping when I'm awake or sleeping
Once I was, oh, so fancy free
Somebody made those eyes at me
I don't care what occurs, she got mine but I got hers
When somebody stole my heart away

Once I was, oh, so fancy free
Somebody made those eyes at me
I don't care what occurs, she got mine but I got hers
When somebody stole my heart away
