Now the parking lot is empty
Everyone's gone someplace
I pick you up and in the trunk I've packed
A cooler and a 2 day suitcase

'Cause there's a place we like to drive
Way out in the country
And five miles out of the city limit we're singing
And your hand's upon my knee

So we're okay, we're fine
Baby, I'm here to stop your crying
Chase all the ghosts from your head
I'm stronger than the monster beneath your bed

Smarter than the tricks played on your heart
We'll look at them together then we'll take them apart
Adding up the total of a love that's true
Multiply life by the power of two

You know the things that I am afraid of
I'm not afraid to tell
And if we ever leave a legacy
It's that we loved each other well

Because I've seen the shadows of so many people
Still trying on the treasures of youth
But a road that fancy and fast ends in a fatal crash
And I'm glad we got off to tell you the truth

'Cause we're okay, we're fine
Baby, I'm here to stop your crying
Chase all the ghosts from your head
I'm stronger than the monster beneath your bed

I'm smarter than the tricks played on your heart
You look at them together then we'll take them apart
Adding up the total of a love that's true
Multiply life by the power of two

All the shiny little trinkets of temptation
Something new instead of something old

All you gotta do is scratch beneath the surface
And it's fools gold, fools gold, fools gold

Now we're talking about a difficult thing
Your eyes are getting wet
But I took us for better and I took us for worse
Don't you ever forget it

Now the steel bars between me and a promise
Suddenly bend with ease
The closer I'm bound in love to you
The closer I am to free

So we're okay, we're fine
Baby, I'm here to stop your crying
Chase all the ghosts from your head
I'm stronger than the monster beneath your bed

Smarter than the tricks played on your heart
Look at them together then we'll take them apart
Adding up the total of a love that's true
Multiply life by the power of two
