My girlfreind says, I can't wear her clothes anymore.
She says, I look just like a 10 dollar whore.
I don't care how my family feels;
This dress says 'sex' with grandmother's heels.

I'm a woman trapped inside a man's body,
So oddly.
The boys at the drag club thought I was
A hottie,
'Til she caught me.

I will die if I can't wear your
Spandex pants,
When I dance.
I hope my fetish won't affect
Our romance;
Or cause distance.

I just want to go back to those times before.
She knew that I raided her underwear drawer.
G-strings, silk things: you know I love them all.
How can this red leopard print bra appall?

I'm a woman trapped inside a man's body,
So oddly.
The boys at the drag club thought I was
A hottie,
'Til she caught me.

I will die if I can't wear your
Spandex pants,
When I dance.
I hope my fetish won't affect
Our romance;
Or cause distance.

Woo!
Come on girl.
I'm a naughty little girl-
Little boy-
Little girl.

I'm a woman trapped inside a man's body,
So oddly.
The boys at the drag club thought I was
A hottie,
'Til she caught me.

I will die if I can't wear your
Spandex pants,
When I dance.
I hope my fetish won't affect
Our romance
Or cause distance.
