Call you up in the middle of the night  
Like a firefly without a light  
You were there like a blowtorch burning  
I was a key that could use a little turning  
So tired that I couldn't even sleep  
So many secrets I couldn't keep  
I promised myself I wouldn't weep  
One more promise I couldn't keep  
It seems no one can help me now,  
I'm in too deep, there's no way out  
This time I have really led myself astray

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Can you help me remember how to smile?  
Make it somehow all seem worthwhile  
How on earth did I get so jaded?  
Life's mystery seems so faded  
I can go where no one else can go  
I know what no one else's known  
Here I am just a-drownin' in the rain  
With a ticket for a runaway train  
And everything seems cut and dried,  
Day and night, earth and sky,  
Somehow I just don't believe it

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere  
Somehow I'm neither here nor there

Bought a ticket for a runaway train  
Like a madman laughing at the rain  
A little out of touch, a little insane  
It's just easier than dealing with the pain

Runaway train, never going back  
Wrong way on a one-way track  
Seems like I should be getting somewhere

Somehow I'm neither here nor there  
Runaway train, never coming back  
Runaway train, tearing up the track  
Runaway train, burning in my veins  
I run away but it always seems the same
