I wanna take some dirty pictures of you
I wanna take some dirty pictures of you

As I'm peering through the shutter, I can feel my heart
a flutter
And the lens is getting steamy
As the room is getting seamy
Watch out for my reflex as I'm giving you the bird

Dirty pictures turn me on
They give me strictures but I have to keep on
Taking pictures, dirty pictures
I get my kicks up in the attic from a Kodak instamatic

I wanna take some dirty pictures of you
The dirtier the better, only filthy will do
As I rig up my umbrellas and the props are getting
hotter
The actions getting frantic as you going through your
antics

Head up, leg up, chest out
Can you what? Don't be absurd

Dirty pictures turn me on
They give me strictures but I have to keep on
Taking pictures, dirty pictures
I get my kicks up in the attic from Kodak instamatic

Dirty, dirty, dirty, dirty pictures

Dirty pictures turn me on
They give me strictures but I have to keep on
Taking pictures, dirty pictures
They give me strictures but I have to keep on

Taking pictures, dirty pictures
They give me strictures but I have to keep on
Taking pictures, dirty pictures
I get my kicks up in the attic
