Left on a jet plane, not too long ago,
Said our goodbyes by a taxi in the snow,
Okay, so maybe it was rain, but I like to think there
wasn't so much pain,
Cause snow is pure, and that's what I thought we were.

There's gotta be more to this old city, yeah
I wanna go back but things ain't so pretty back home
You gave me a breath of fresh air, darlin'
But now I'm hopin' for more than this

Little piece of home, little piece I know please don't let
me go.
Little piece of home, only thing I know, don't you just
leave me alone.

Sitting here still without anything to do,
Maybe it's nothing but I gotta see this through,
No, my feelings ain't nothing and I got so much to say,
Cause I wanted something else, not a lonely, lonely
day.

There's gotta be more to this old city, yeah.
I wanna go back but things ain't so pretty back home
You gave me a breath of fresh air darlin',
But now I'm hoping for more than this.

Little piece of home, little piece I know, please don't let
me go.
Little piece of home, only thing I know, don't you leave
me here alone, no.

Little piece of home, little piece I know, please. just let
me go. please, ohhhhh.
Little piece of home, only thing I know, won't you just
leave me alone.

Little piece of home, little thing I know, please just let
me go,
Little piece of home, only thing I know, you should've
left me long ago.
