I don't wanna be cupid again  
Don't wanna be just a friend  
I know it sounds selfish but it's just how I feel  
Not trying to be called the matchmaker  
I introduce then he takes her  
I'm just being honest and I'm keeping it real  
Don't wanna know, say it ain't so  
Coz I loved her first, but that's okay  
Coz at the end of the day

I gotta learn to be just me  
I gotta learn to smile and be happy  
I gotta know when it's meant to be  
And when it's not  
I gotta learn to let you go  
You know you can't choose who you fall for  
I gotta know when this is meant to be and I know now,  
It's not for you and me  
It's not for you and me

So maybe it's not so bad  
Seeing her with her new man  
Just want her to live her life the way that she feels  
Maybe it's okay I played cupid  
Otherwise I'd be stupid  
To keep her from the one that she was destined to  
meet  
Now I wanna know, how they're doin' though  
Don't care if I loved her first,  
Coz that's okay, coz at the end of the day

I gotta learn to be just me  
I gotta learn to smile and be happy  
I gotta know when it's meant to be  
And when it's not  
I gotta learn to let you go  
You know you can't choose who you fall for  
I gotta know when this is meant to be and I know now,  
It's not for you and me  
And I know now  
It's not for you and me
