VERSE

When you're feeling sad and blue, don't you know that I
will always,
Be here for you.
When everything just makes us go out of our minds,
just know that I will always,
Have the time for you.
You say that I am your influence. You should know that
you inspire me.
Now until the end.
I'll help you get through the thick and thin and I know
you'll remember when.
I say.

CHORUS

You are strong, strong as a soldier. Even when winds
are tough you'll always keep it together. You are
strong, strong as a soldier. I know you'll get through
anything. 'Cause you're strong, strong, strong as a
soldier.

VERSE

When the waves are crashing down. Can't get up. Just
know I'll,
Pick you up from the ground.
When it feels like everything goes wrong, just
remember to listen to this song.

CHORUS

You are strong, strong as a soldier. Even when winds
are tough you'll always keep it together. You are
strong, strong as a soldier. I know you'll get through
anything. 'Cause you're strong, strong, strong as a
soldier.

BRIDGE

Don't you worry about the obstacles to your happiness.
If you let them get to you, you'll endure just like the
rest. I know you're better than those people who get in
the way. Just remember what I always say.

CHORUS

You are strong, strong as a soldier. Even when winds

are tough you'll always keep it together. You are
strong, strong as a soldier. I know you'll get through
anything. 'Cause you're strong, strong, strong as a
soldier. You are are strong, strong, strong as a soldier.
Strong, strong, strong as a soldier.
