Title: Hey Now Now  
Artist: Michael Franti

Don't tell the DJ got to turn it low  
We keep it rockin'til the early morn I say  
Hey Now Now, I say hey now now  
Don't tell the people that they got to go  
I wanna keep em 'til the early morn I say  
Hey Now Now, I say hey now now

You've been a soldier girl and I would do anything for  
you  
It's true, it's true  
I wanna be in the early morn', I'm gonna light up the  
night for you, (lighters)  
It's true, it's true

?CHORUS?

Run come come comin' a join in this party  
The riddim of the music make me feelin' irie  
Hey now it doesn't matter where you comin' from a'  
Dancin to the riddim of the feelin' of the drumma  
Choose to do the things that make the people come  
together  
Use the money maker that was given from your mama  
Hey now selecta wanna get ya rub a dubba  
Come come come til the sun shine on

?CHORUS? (word up!)

Be who you are nothing more nothing less  
And let the beauty that you love be?.. the very best  
Sing praises to the highest with your feet on the ground  
And reach for your brother with the words that you  
sound and  
Don't let mistakes be so monumental, and  
Don't let your love be so confidential, and  
Don't let your mind be so darn judgmental  
And please let heart be more influential  
Be thankful for all the Spirit provides

And be thankful for all that you can see without eyes  
Give thanks to music that keeps us alive  
And give thanks to all the DJs worldwide

?CHORUS?

The music and the harmony, the family and friends  
It seems like when your dancin' man, the feelin' never  
ends

The base of the base, the voice of the drum  
The fumble of the keys, my weapon is my tongue  
If there's love in the rhythm then the soul is gonna  
follow

We turnin' up the system, it'll go until tomorrow  
If you need some money, I got some that you can  
borrow

We dance until the sun come up and cast shadows  
Right now? the tune reflects, lights out? we soon  
connect

We ride (ride) on lows and high  
So hot that we sweat, so happy we cry  
Wish bygones goodbye, thank god we's alive  
Wit' time on our side and this rhyme I provide  
We smile while we slide, do I say goodbye (nah)  
We keep it rockin' like the sound of lion

?CHORUS?

It's hot?. and the police man come  
And try to break up the party tonight?? uh ha (I say hey  
now now)

Then I would stand firm wit' you  
And would brace ourselves for the fight  
All Night, alright I say

Don't tell the DJ got to turn it low  
We keep it rockin'til the early morn I say  
Hey Now Now, I say hey now now  
Don't tell the people that they got to go  
I wanna keep em 'til the early morn I say  
Hey Now Now, I say hey now now
