Brush every night
Don't let the bedbugs bite
(The ones I'm referring to)
Though I'll be gone I'll be
Keeping my eye on you

Don't stay out late
Stay home and cogitate
And write me a letter too
Though I'll be gone I'll be
Keeping my eye on you

May I suggest that you screen your calls?
And just make the best of your
own four walls
Unless that flashing light means me
And then R.S.V.P.

Don't be surprised
If roses should arrive
But first ascertain from who
No matter my grammar I'm
Keeping my eye on you

Pray to some saint
Don't let any old acquaintance
Convince you his heart's still true
Until I get home I'll be
Keeping my eye on you
