When I met you I was blind  
Underneath a dark cloud couldn't find the blue  
And I wasn't sure quite what to do  
I wore my heart upon my sleeve

Disappointed I could not believe at last  
That I had finally shaken off the past with you  
I don't know how you trapped me  
All I know is now I'm happy

Let me reveal  
All the feelings that I feel  
When I love you  
Let me count the ways

Let me explain  
Every image in my brain  
How I love you  
Let me count the ways

You are a part  
Of the rhythms of my heart  
And I love you  
Let me count the ways

And when I stray  
You are never far away  
Cause I love you  
Let me count the ways

My love song was never played  
Till you came along and your love made me ring  
Now it's only you for whom I sing  
If I wrote you a different song each day

Still I know I never could repay your love  
Falling like an angel from above to me  
And now I'm never lonely, no  
Now it's forever only you

Let me reveal

All the feelings that I feel  
When I love you  
Let me count the ways

Let me explain  
Every image in my brain  
How I love you  
Let me count the ways

You are a part  
Of the rhythms of my heart  
And I love you  
Let me count the ways

And when I stray  
You are never far away  
Cause I love you  
Let me count the ways

You can't imagine what your love means  
It's like the poet says  
How can I say how much I love thee  
Let me count the ways

Let me reveal  
All the feelings that I feel  
When I love you  
Let me count the ways

Let me explain  
Every image in my brain  
How I love you  
Let me count the ways

You are a part  
Of the rhythms of my heart  
And I love you  
Let me count the ways

And when I stray  
You are never far away  
Cause I love you  
Let me count the ways

Let me reveal  
All the feelings that I feel  
When I love you  
Let me count the ways

Let me explain  
Every image in my brain

How I love you  
Let me count the ways

You are a part  
Of the rhythms of my heart  
And I love you  
Let me count the ways

And when I stray  
You are never far away  
Cause I love you  
Let me count the ways
