Fire, fire, fire, light up ya lighter, fire fire fire  
Armageddon is a deadly day, Armageddon is a deadly  
way  
They commin for you everyday, While Senators on  
holiday

The Army recruiters in the parking lot, Hustling kids  
there jugglin pot  
Listen young man, Listen to my plan , Gonna make you  
money, gonna make you a man

Bom Bom

Here?s what you get, An M-16 and a Kevlar vest  
You might come home with one less leg, But this thing  
will surely keep a bullet out of your chest

So Come on Come on, Sign up, Come on  
This one?s nothing like Vietnam  
Except for the bullets, Except for the bombs,  
Except for the youth that?s gone

Chorus  
So we keep it on, til ya coming home, Higher and  
Higher  
Fire, fire, fire, light up ya lighter, fire fire fire, so we  
keep it on  
Til ya commin home, higher and higher  
Fire, fire, fire, light up ya lighter, fire fire fire

Tell me President tell if you will,  
How many people does a smart bomb kill  
How many of em do you think we got,  
The General says we never miss a shot  
And we never ever ever keep a body count,  
We killin so efficiently we can?t keep count  
In the Afghan hills the rebels still fightin,  
Opium fields keep providin  
The best heroin that money can buy  
And nobody knows where Osama bin hidin  
The press conferences keep on lyin like we don?t know

Some say engine engine number nine,  
Machine guns on a New York transit line  
The war for oil is a war for the beast,  
The war on terror is a war on peace  
Tellin you they?re gonna protect you,  
Tellin you that they support the troops  
Don?t let them fool you with their milk and honey,  
No they only want your money  
One step forward and two steps back,  
Why do veterans get no respect  
PTSD and a broken back,  
Take a look at where your moneys gone seen  
Take a look at what they spend it on  
No excuses, No illusions

Light up ya lighter
