The music begins and the titles fade in, starrin' you
and me
The hero is struggling to say that his lady is far away
In her prison of wishes

We love and we fight but it's all day for night just a
masquerade
We'll read till the red light is off then we go take our
faces off
Like two clowns in a side show

Love is like two dreamers dreamin' the exact same
dream
Just another Technicolor romance on the screen

Love is like two dreamers dreamin' the exact same
dream
Just another Technicolor romance on the screen

I keep you in frame and I whisper your name till the
picture fades
The feeling is already gone, I don't know why I'm going
on
Can't remember the ending
