Beautiful you
Do we dance to the same drum
Sample my love
Cause there's more where that came from
Too
Am I falling in love with you

Miserable me
Such a terrible loner
Very low mileage and only one owner
True
Now I'm falling in love with you

Why is your heart resurrected
Just when you least expect it
How come it takes you by surprise
Then when you get used to sadness
Free from the confusing madness
Love hits you right between the eyes

Hard to believe the blues are stalling
Now I know why they call it falling
Now I know why they call it falling
Now I know why
Now I know why

Why is your heart resurrected
Just when you least expect it
How come it takes you by surprise
Then when you get used to sadness
Free from the confusing madness
Love hits you right between the eyes

Hard to believe the blues are stalling
Now I know why they call it falling
Now I know why they call it falling
Now I know why
Now I know why

Now I know I'm falling
Now I know I'm falling

Now I know I'm falling
Now I know I'm falling

Now I know I'm falling
Now I know I'm falling
Now I know I'm falling
Now I know I'm falling
