Once January arrives  
Soon as the mercury dies  
I start to wonder how long it will take  
Before my weakened will power just breaks  
And IÃfÃçâ, -Ã™ m convincing you

To rendezvous in Rio  
Dance the samba in Bahia  
On the beach weÃfÃçâ, -Ã™ ll chill  
So atmospherically contented in Brazil

Rendezvous in Rio  
Fly for breakfast to Bahia  
In the heat weÃfÃçâ, -Ã™ ll chill  
Copacabana and banana in Brazil

Once winter does attack nice  
Soon as the snow turns to ice  
DonÃfÃçâ, -Ã™ t be surprised if as IÃfÃçâ, -Ã™ ve  
said before  
You find my passport and me at your door  
ÃfÃçâ, -ÃœCause all I need is you

To rendezvous in Rio  
Dance the samba in Bahia  
On the beach weÃfÃçâ, -Ã™ ll chill  
So atmospherically contented in Brazil

Rendezvous in Rio  
Fly for breakfast to Bahia  
In the heat weÃfÃçâ, -Ã™ ll chill  
Perfectly sunburnt and cooked chasseur in Brazil
