When I walk around soho
I remember gamboa
There's a feeling
There's a beat
That hugs me like a boa

Walking by the docks
Whistling a samba
In the rythmn of the people
From Angola from Luanda?

Suffering the longing
The wonderful dilemna
Falling in the trap
Of the beautiful morena

A miracle just happened
Finding you in the cinema
With this god given love
Who would dare to condemn us

When i walk around soho
I remember gamboa
There's a feeling
There's a beat
That hugs me like a boa

Walking by the docks
Donga made the samba
In the rythmn of the people
From Angola from Luanda?

Suffering the longing
The wonderful dilemna
Falling in the trap
Of the beautiful morena

Oh it feels so good
Kissing you in the cinema
Now we're getting down in soho
Sandals, beads , and Di A Dem.
