You got thirteen wish bones on your kitchen wall  
You got your Chinese Ginseng tea  
You got a blue kimona  
And a D-18  
You got me

You know I'd like to love you but I don't know how  
I got these wings they're on my feet  
I just keep on chewing on the sacred cow I can't eat

That why I practice and practice and I chew on some  
cactus  
And I give my pistol a twirl  
I roll up a load  
I roll down the road  
I go Downtown  
to wrestle a live nude girl

I go Downtown  
To wrestle a live nude girl  
I go Downtown  
To wrestle a live nude girl

For twenty-five you get a live nude girl  
She can  
Wrestle so obscene  
If you just got ten you wrestle  
Polyethylene  
You know, little Beatrice  
She can break your bones she can  
Shake out all your teeth  
She's a real good wrestle  
if your tensions, need relief

(chorus)

That why I practice and practice and I chew on some  
cactus  
And I give my pistol a twirl  
I roll up a load  
I roll down the road

I go Downtown  
to wrestle a live nude girl

I go Downtown  
To wrestle a live nude girl  
I go Downtown  
To wrestle a live nude girl
