C'mon baby, let's take a walk
Somewhere we can talk
We've gotta work this whole thing out
You've gotta tell me
What it's all about
Yea... when there's no-one there
Yea... baby 'cos I care

You've been crying
And I know it's true
I know something
Is wrong with you
We've gotta work this whole thing out
You gotta tell me
What it's all about
Yea... when there's no-one there
Yea... baby 'cos I care

All night on the telephone
I keep ringing
But there's no-one there
All day I've been hanging around
Trying to keep my feet on the ground
Yea Yea Yea

C'mon baby, let's take a walk
Somewhere we can talk
We've gotta work this whole thing out
You've gotta tell me
What it's all about

Yea... when there's no-one there
Yea... baby 'cos I care
